

From Ambition to Action - Towards a more gender-diverse top in Life Sciences & Health

TOPX Network | Mission and Vision

Providing a unique and valuable network for ambitious women in Life Sciences by supporting and encouraging our members in their personal growth and development and empower them to take on leadership roles.

TOPX Network | What we provide

Year-round meetings; including expert talks, networking sessions and online events. Meet, Connect and Learn from and with one another.

Females to Follow Awards 2022

Females to Follow Awards | Aim

Empower and honour outstanding females in the Health & Life Sciences sector and celebrate their achievements. By doing so inspire the next generation of women to follow in their footsteps. The winners of the Female to Follow awards will be announced at the TOPX Summit on 22 September in Oss.
